MIAMI UNIVERSITY ALUMNI WEEKEND 2008
SCHEDULE OF EVENTS

Campus Map

DID YOU FEEL IT?

That funny feeling in your stomach as you crested those hills and saw the first cupolas in the distance? For most of us, coming back to campus has always evoked that nervous-excited feeling. Whether it was anxiety about an upcoming exam or the thrill of seeing friends again, returning home to Oxford is a unique feeling.

This time there should be no anxiety, only excitement. Alumni Weekend is a time to renew acquaintances and to let the memories flood back. It is a time to reconnect with a place you once called home, and to discover anew why Miami is the perfect place to grow and learn. It is a weekend to have fun, to learn, and to celebrate with others our shared Miami experience.

So take full advantage of your time. Enjoy the company of friends you see too infrequently. Spend time back in the classroom with Miami's outstanding professors. Visit your favorite campus spots.

And when you head out of town, recall that other familiar feeling – a tinge of regret at leaving, but confidence that Miami will always be here, ready to welcome you home.

Have a wonderful weekend!

The Reunion Tent Area

One of the most visible changes to Miami's Alumni Weekend programming is the Reunion Tent Area. This large area is open to everyone during the day. On Friday, you will need a ticket for the dinner portion of the Alumni Dinner and Dance. At 7:30 p.m., the Campus Owls will begin to play and the tent area is open to all Miamians. A cash bar will be available as well.

On Saturday at AlumniFest, the Reunion Tent Area can only be accessed with the AlumniFest ticket and wristband, starting at 5:30 p.m. The barbecue dinner will be served from 6 - 8 p.m. and reunion-year classes will host parties in their respective tent areas. Live music will play from 7:30 - 11 p.m., and a cash bar will be available within the space. Both evening parties are open to Miamians of all ages, so join the fun!

Weather

The safety of Alumni Weekend participants is our number one priority. If severe weather approaches (lightning, high winds, hail, etc.), please follow the instructions provided by the Miami University Police Department and Alumni Association staff members and immediately seek shelter in an adjacent building. Once the weather passes, the "all clear" will be given and outdoor events will resume, if possible (including delayed meals, live entertainment, etc.).

Should a rain shower roll through the area, outdoor events, activities, and meal service will continue. Your cooperation, patience, and flexibility are greatly appreciated.

The Red Zone

The Red Zone can be found in the center of the Reunion Tent Area. Within this space, you can find Alumni Association merchandise; the Cyber Café, brought to you by Miami University IT Services; and season ticket sales for Miami Athletics.

Computing Resources

Guest Internet access is available in each residence hall room for anyone who brought a laptop. Alumni can access the Internet via wired or wireless connections. Instructions on how to connect are available at Registration Headquarters and at the front desk of each residence hall. Email and Internet will also be available in the Red Zone Cyber Café, brought to you by Miami University IT Services, Friday and Saturday evenings.

Events you will not want to miss...

Friday and Saturday

Alumni College

Providing alumni education opportunities is one of the main goals of Alumni Weekend. Spread out over two days, Alumni College sessions engage, enlighten, and inform you on a wide variety of contemporary topics. These sessions provide a wonderful opportunity to experience some of Miami's finest faculty, and in doing so, stay connected with your undergraduate academic department.

Friday, June 13

The Alumni Dinner and Dance hosted by the Class of 1958 and the Hughes Society, 6 – 10 p.m.

Start the evening with an incredible buffet dinner under the Big Tent in the Reunion Tent Area. Then, dance to the big band sounds of Miami's own Campus Owls. It will be an evening you will not soon forget as the band plays your favorite songs under a moonlit sky. See the inside back cover for a map of the tent area. Dance lessons will be provided by Janet Holmes MA '87 from 7 - 7:45 p.m.

Saturday, June 14

The Parade Party at the Hub, 5 p.m.

This gathering of classes is wonderfully fun. Bring your camera and be sure to wear Miami red and white. Follow the sounds of Miami's Alumni Band and a corps of bagpipers to The Hub. Once there, look for your class sign and assemble with classmates. All participants in The Parade Party will receive a parade gift. Be sure to bring your family and friends as everyone departs by class for the Reunion Tent Area and the Saturday Night AlumniFest. The youngest classes go first and create a corridor for the most senior classes, ending with the Class of 1958, to march through. You will need your AlumniFest ticket and wristband to enter the Reunion Tent Area.

Reunion Remarks by President David Hodge, 5:45 p.m.

At the end of the Parade of Classes, Miami's 21st President, Dr. David C. Hodge, will deliver brief remarks to assembled Miamians in the main tent.

The Saturday Night AlumniFest, 6 – 11 p.m.

This is an evening of food, fun, and festivities for all alumni and children. The event features the KidZone and a barbecue meal served adjacent to the tent areas from 6 - 8 p.m. Live music begins at 7:30 p.m. You will not want to miss this evening!

Walking is the primary mode of transportation during Alumni Weekend. Shuttle bus service is provided throughout the weekend around campus. See page 22-23 for the bus route map and times. For those with mobility restrictions, golf carts and drivers are available to make getting from place to place a little easier. Golf carts do not cross High Street or Patterson Avenue nor do they provide transportation “Uptown.” Golf cart drivers should not be tipped. Golf carts will not operate in severe weather.

Be careful not to park across yellow curb lines on Oxford streets. Do not park in handicap areas unless you have the proper state issued license plates or placard. Remember, parking meters require change, and as always, speed limits will be enforced. The City of Oxford also enforces the law prohibiting open containers on city streets.

In case of an emergency, call:

Welcome Center – 529-6523 (during published hours)

Public Safety – 529-2222 or 911

Oxford Police Department – 523-4321

Class Scholarship Funds

Make your reunion year more meaningful by contributing to your class scholarship fund. Since the first class scholarship funds were established in 1992, the program has grown to encompass 70 class scholarships with a total endowment of more than \$7 million supporting Miami students. Several of these student scholarship recipients will be present at Alumni Weekend, and you will not want to miss speaking with them in person.

The combined fundraising goal for the 2008 reunion year is \$455,000.

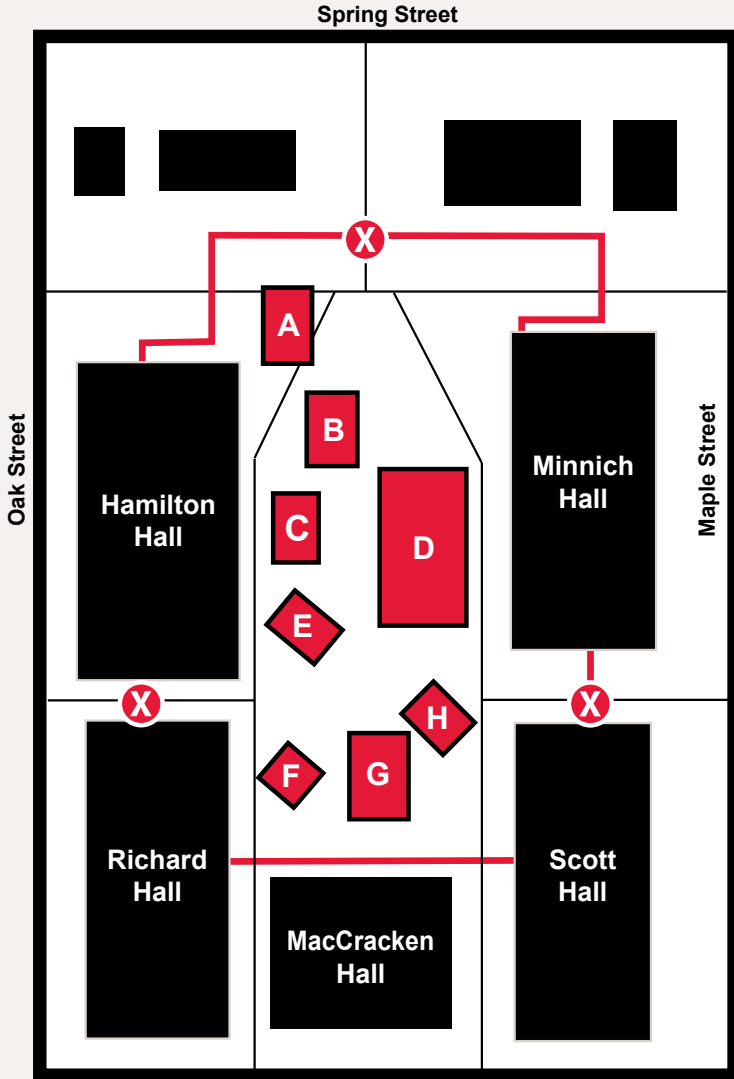

If you have not made your class gift yet, you may do so this weekend. Simply stop by the Miami Fund table at the Welcome Center and pick up a gift card and envelope. Or, when you return home, send a check (payable to Miami University) to: Class Scholarship Funds, 725 E. Chestnut St., Oxford, OH 45056. Please indicate which class scholarship fund you are supporting. You may also make a secure gift online at www.ForLoveandHonor.org/GivetoMU. Thank you for supporting your class scholarship fund!
