Application for Admission to The Graduate School

General Instructions

This application must be completed by all U.S. citizens or permanent residents wanting to enroll in graduate-level classes at Miami University. If you are applying for continuing non-degree status, you should also complete this application. In either case, don't forget to sign the application on page 4. You must choose one of the following:

A. Applying for a Degree Program

Choose this if you intend to earn a graduate-level degree (master's, doctorate, or Specialist in Education) from Miami University.

1. Complete the application form, identifying your intended degree program from the list provided.
2. Submit the form to the Graduate School with a **non-refundable** application fee of **\$35**.
3. If you wish to apply for a graduate award (associateship, assistantship, etc.), indicate that you would like to be considered when completing the application.
4. Request the college or university at which you earned your baccalaureate degree to send **two** official transcripts of your work. (Miami University students do not need to supply a transcript.) Also, **two** official transcripts of all graduate work at every graduate school you have attended must be sent to us.
A senior may apply in advance of graduation and submit transcripts of his or her record to date. That record will be judged for provisional acceptance pending submission of final transcripts.
5. You must file a new application for each new degree program you plan to pursue or for any continuing study attempted after you complete a degree. Applications are kept for two calendar years; if you have not registered during that time, you must submit a new application. The \$35 application fee is a one-time fee.
6. Many departments require documentation in addition to transcripts and test scores. See the section on Entrance Examinations on page 5. If additional documentation is required by your program, send it directly to the department.

B. Applying for Continuing Non-Degree Graduate Status (CGS)

Choose this if you intend to enroll in graduate-level classes but not pursue a degree.

1. Complete the application form, indicating your desire for continuing non-degree graduate status.
2. Submit the form to the Graduate School with a **non-refundable** application fee of **\$15** at least three weeks prior to courses starting. (Applicants who hold a master's degree or higher from Miami University are not required to submit this fee.)
3. Request the college or university at which you earned your highest degree to send **one** transcript of your work. Photocopies of transcripts are acceptable; copies of diplomas are **not** acceptable. (Graduates of Miami University are not required to submit a transcript if the Miami degree is the highest degree earned.)
4. Please note the restrictions of this status as described in *The Miami Bulletin, Graduate Edition, 2009-2010*, found online at www.muohio.edu/graduate/resources.cfm.

C. Applying for Transient Status

Choose this if you:

- have been admitted to and enrolled in a degree program at another recognized graduate school;
- **are currently in good academic standing and active in that program;** and
- intend to return to the other institution to complete that program.

Transient status is granted for one semester only; it may be renewed upon re-application.

1. Contact the Graduate School to request that the application for transient standing be sent to you. No application fee is required.
2. Complete the student's part of that form and forward the entire form to the dean of your graduate school, asking the dean to complete it and send it directly to the Graduate School of Miami University. No transcript is required.

Background information (Required of all applicants)

Miami University is committed to maintaining a safe environment for all members of our community. All applicants must answer the following questions. An affirmative answer to either question does not automatically bar admission to the university, but does require review.

1. Have you ever been convicted of a criminal offense other than a minor traffic violation or are such charges currently pending against you at this time?
 Yes No
2. Have you ever been dismissed, suspended, or placed on probation for nonacademic reasons by any college or university? Yes No
If you answer yes to either of the above questions, attach a detailed statement of explanation.

I hereby certify that the information given by me in this application is complete and accurate. If my answer to any question is later rendered incorrect by subsequent events, I agree to immediately notify the Graduate School in writing.

Signature of Applicant _____ Date _____

Miami is in accordance with section 438 (B) (4) (B) of the Family Educational Rights and Privacy Act of 1974 stating that the information you are providing is on the condition that Miami, its agents, and employees will not permit any other party to have access to such information without your written consent.

Deadlines and Entrance Examinations

Application deadlines

Admission deadlines vary by department. See the Programs and Degrees page on the Graduate School website at www.muohio.edu/graduate for exact dates.

Graduate award deadlines

Graduate awards are available only to students who will be enrolled full-time in a degree program. See the Programs and Degrees page on the Graduate School website at www.muohio.edu/graduate for deadlines.

Non-degree and part-time study applicants must submit applications at least three weeks prior to the beginning of the semester in which you wish to enroll. Applications received later may not be processed before the registration period at the beginning of the semester.

Non-degree applicants are not eligible for financial aid.

Entrance Examinations

1. All applicants for the **MBA degree** and the **M.Acc. degree** are required to take the Graduate Management Admission Test (GMAT).
2. All applicants for **Architecture, Botany, Chemistry, Comparative Religion, Computational Science and Engineering, Computer Science, Educational Psychology, Geology, Gerontology, History, Microbiology, Paper and Chemical Engineering, Philosophy, Political Science, Psychology, Speech Pathology and Audiology, School Psychology, Student Affairs in Higher Education (Ph.D. only), and Zoology (M.S. and Ph.D. only)** are required to take the Graduate Record Examination (GRE).
3. All applicants for the **Exercise and Health Studies, Sports Studies, Teacher Education, Educational Leadership master's program, and Educational Administration doctoral programs** are required to take either the Miller Analogies Test (MAT) or the GRE.
4. Applicants for other degree programs are not required to take entrance examinations if their academic records meet the standards for regular admission. However, if you have taken or plan to take the GRE or MAT, you are encouraged to submit your scores to Miami University.
5. Some programs may require additional supporting documents. Read carefully the information sent to you by the department and send required materials directly to the department.

Miami's ETS code for the GRE is 1463.

Medical History Form

All graduate students on the Oxford campus are required to submit a completed Medical History Form to the medical director of the Student Health Service prior to registration. Admitted students can complete the Medical History Form at www.muohio.edu/saf/shs. You will not be allowed to register until the completed form is on file with the Student Health Service.
