

The Miami University chapter of Delta Tau Delta fraternity has been found responsible for violating the Code of Student Conduct, Section 105B (Prohibited use of alcohol).

In December 2011, it was reported to the University that an underage student was served alcohol while attending a function hosted by members of Delta Tau Delta.

The following is the mandatory sanction imposed upon on the fraternity by the University:

- The members of Delta Tau Delta fraternity must complete an alcohol education course with 80% of their members and 100% of the most recent new member class attending.
